

Forest Preserve District of Kane County - Law Enforcement

Snowmobile Safety Tips

Before you hop on your sled -- *with your helmet securely fastened* -- please review these safety tips to help you have an enjoyable safe ride.

- * Ensure trails are open. (Great Western Trail open until 11pm)
- * Operate at a safe and responsible speed.
- * Stay on the marked trails.
- * Always, stay to right side -- especially on corners. Assume another snowmobile is coming.
- * Wait to consume the adult drinks until you are home to enjoy the memories of your ride.

Thanks to the District Volunteer Snowmobile Safety Patrol and clubs who maintain trails for snowmobilers.
