

Take a Hike Activity Sheet — July Glenwood Park Forest Preserve

Walk the River Front Trail up river and back (about half a mile total) and search for waterfowl at Glenwood Park Forest Preserve. Search for and check-off the following birds while you hike. Some are more rare than others, so you probably won't see them all, but do your best! And remember, don't just look *in* the water, look above and around the water as well.

Great Egret

Mallard

Great Blue Heron

Pied Billed Grebe

American Coot

Gull

Green Heron

Canada Goose

Double-Crested Cormorant
