Any person or authorized representative who believes that the District has discriminated against them based on their disability by denying access to its programs and services, may file a formal grievance with the District's ADA Coordinator or with the [U.S. Department of the Interior, Office of Civil Rights](#). The District's full ADA Notice and Grievance Procedures are below.

The Grievance Procedure is established to meet the requirements of the Americans with Disabilities Act of 1990 (ADA). It may be used by anyone who wishes to file a complaint alleging discrimination on the basis of disability in the provision of services, activities, programs and benefits by the Forest Preserve District of Kane County. The District's Employee Handbook governs employment-related complaints of disability discrimination.

The complaint should be in writing and contain information about the alleged discrimination such as name, address, phone number of complainant and location, date, and description of the problem. Alternative means of filing complaints such as personal interviews or a tape recording of the complaint will be made available for persons with disabilities upon request.
