IV. Bids and Proposals

A. Presentation and Approval of a Bid to Purchase Unleaded Gasoline and B5 Biodiesel Fuels

Interim CFO Petschke presented the fuel contract. The District partnered with Kane County in September 2022 to be included on the joint fuel bid with the City of Aurora, Kane County Division of Transportation (KDOT) and various other County departments. The bid was structured so that the base cost of the fuel is determined from the Oil Price Information Service (OPIS) rack pricing on the date of the delivery, and the quoted per-gallon mark-up contained within the bid. Due to the District having smaller tanks (500 – 1,500 gallons), the mark-up quoted by the vendors was higher as compared to the County, which takes full semi-loads per delivery. Al Warren Oil Co., Inc. had the

lowest mark-up fee rate for this contract on unleaded gasoline and B5 biodiesel at \$.13 per gallon.
DISCUSSION: *Brief conversation regarding the location of fuel and delivery. Petschke answered questions from the Committee.*
