Trail resurfacing project along the Fox River Trail in Elgin to begin Aug. 26

GENEVA, IL — A trail resurfacing project is expected to begin Friday, Aug. 26, through Friday, Sept. 9, along the Fox River Trail.

Schroeder Paving will be resurfacing the linear trail between National Street and Raymond Street in Elgin, and include the Metra railroad crossing along Raymond Street. There will be brief trail interruptions at times. Additional flaggers will be provided by the railroad and present when work is being conducted near the train tracks.

The Forest Preserve District of Kane County asks trail users to obey all signs and barricades, and to always use caution when traveling past trucks and equipment on the trail. Signs will be posted on the trail at both ends during the projects, to alert trail users.
