**Learn about tree identification with the Forest Preserve District**

GENEVA, IL — Walk wooded trails with Forest Preserve District of Kane County naturalists to learn the common hardwood trees in our area.

The Fall Tree Identification program will begin with an introduction to basic plant morphology. Next, everyone will learn the methods of tree identification. Then, we'll identify trees on a guided trail walk.

Join us on Saturday, Sept. 22, from 1-3 p.m. at Tekakwitha Woods Forest Preserve in St. Charles, or on Sunday, Oct. 14, from 1-3 p.m. at Bliss Woods Forest Preserve.

These Learn from the Experts programs are for ages 18 and up. The fee is \$10 per person, per class. Advance registration is required. Call 630-444-3190 or email [programs@kaneforest.com](mailto:programs@kaneforest.com) to register.

Tekakwitha Woods Forest Preserve is located at 35W076 Villa Marie Rd., St. Charles. Bliss Woods Forest Preserve is located at 5S660 Bliss Rd., Sugar Grove.

Learn from the Experts programs are taught by experts in their respective fields and offer in-depth learning opportunities about our local ecology. The programs are offered through a partnership with the Forest Preserve District of Kane County, St. Charles Park District and Geneva Park District.

For more information, visit [www.kaneforest.com](http://www.kaneforest.com) or find the Forest Preserve District on social by searching @forestpreserve.
