**Enjoy Firefly Fireworks during fun summer nature programs**

GENEVA, IL — Explore the fascinating world of blinking bugs during the Forest Preserve District of Kane County’s “Firefly Fireworks” nature programs.

There are two sessions of this popular evening program: Friday, June 29, from 8:30-9:30 p.m. and Saturday, June 30, from 8:30-9:30 p.m. Join District naturalists as they walk and explain how and why fireflies produce their eerie light. As darkness falls, we’ll watch the woods and prairie light up with thousands of flashing fireflies.

The June 29 program will be at Campton Forest Preserve, located at 4N379 Town Hall Rd., St. Charles. The June 30 program is will be at Freeman Kame Forest Preserve, located at 40W346 Freeman Rd., Gilberts.

Advance registration is required for these free, all-ages programs. Call 630-444-3190 or email [programs@kaneforest.com](mailto:programs@kaneforest.com) to register.

For more information, or to view a full roster of Forest Preserve District nature programs, visit [www.kaneforest.com](http://www.kaneforest.com) and find the District on social media by searching @forestpreserve.
