

Kane Native Plant Sale

Hosted by the Kane Forest Preserve Foundation

Each spring, the Kane Forest Preserve Foundation holds a Native Plant Sale. This year, our **plant sale proceeds will help fund the installation of a new nature play area at LeRoy Oakes Forest Preserve!**

The nature play area will feature space for building forts, balancing and climbing, an excavation area to dig for bones and other artifacts, a mud kitchen, a sound feature, and space for relaxation and contemplation. With its proximity near Creek Bend Nature Center and the Durant House Museum, this new amenity is sure to be a huge hit with kids (and parents) alike!
