**An area of the Fox River Trail in Geneva to temporarily close June 10-24**

GENEVA, IL — A section of the Fox River Trail in Geneva will close for a two-week period, from June 10-June 24, as it's scheduled to be resurfaced.

The project will cause a stretch of the trail from the Geneva Water Treatment Plant to south of Fabyan Parkway to close as work is completed. The area of closure will extend two miles. Evans and Son Blacktop, Inc. will be conducting the resurface work.

Signs will be placed on the trail to notify the public of the area of closure. The Forest Preserve District asks trail users to exercise caution and be mindful of the closures as the work is completed.

For more information, contact the Forest Preserve District of Kane County at 630-232-5980 or visit [www.kaneforest.com](http://www.kaneforest.com).
