**Attend a Garden Workshop at Creek Bend Nature Center**

GENEVA, IL — Make your own garden during the Forest Preserve District of Kane County “Garden Workshop Series.”

Join Forest Preserve District naturalists for a fun and interactive series of gardening programs. Attendees will learn about the natural and cultural impact of plants species that can grow in our home gardens. Following an informative discussion, participants will be provided with a pot, soil and plants to create their own arrangement to keep.

Go to one or both workshops! The first workshop is Sunday, April 8, from 10:30-11:30 a.m. at Creek Bend Nature Center. You’ll be able to create an herb garden at this workshop. The second workshop is Sunday, April 22, from 10:30-11:30 a.m. at Creek Bend Nature Center where you’ll create an “Earth Day garden.”

Advance registration is required. Registration is \$10 per person, per garden, and includes the materials. Call 630-444-3190 or e-mail [programs@kaneforest.com](mailto:programs@kaneforest.com) to register.

Creek Bend Nature Center is located within LeRoy Oakes Forest Preserve, at 37W700 Dean St., St. Charles.

For more information on “Garden Workshops” or other Forest Preserve District nature programs, visit [www.kaneforest.com](http://www.kaneforest.com). Find us on social media @forestpreserve.
