Join us for “It’s Our Fox River Day” — A Community Fox River Clean-Up Event

GENEVA, IL — The Forest Preserve District of Kane County and Friends of the Fox River are excited to announce a special event called, “It’s Our Fox River Day,” taking place on Saturday, Sept. 16, from 9 a.m. - noon at Glenwood Park Forest Preserve in Batavia.

“It’s Our Fox River Day” is a unique opportunity for community members to come together and make a positive impact on the health and beauty of the Fox River. This watershed-wide event aims to celebrate, protect, and restore the health of the Fox River.

Participants can actively contribute by participating in a river clean-up. Volunteers will work collectively to beautify the river, its banks, and the nearby trails. We’ll provide drinking water, snacks, disposable gloves, and trash bags.

In addition to the clean-up activities, we’ll have educational exhibits and live music. To register as a volunteer, visit <https://friendsofthefoxriver.org/its-our-fox-river-day/> or email CleaveRobb@kaneforest.com. Glenwood Park Forest Preserve is located at 1644 S. River St., Batavia.
