**Guided kayak fishing programs available for youth entering grades 8-12**

GENEVA, IL — Using water crafts specifically designed for anglers, you're sure to get into secret spots not reachable from shore during youth kayak fishing programs.

Whether you're looking to learn the skills involved in fishing from a watercraft, or to pick up a few pointers for improving your angling skills, this is the program for you! "Youth Kayak Fishing Experience," is led by a professional kayak fishing instructor from Chi-Yak Adventures. We'll provide the pedal kayak, safety equipment, kayaking instruction and all the fishing gear required to get you out on the water safely and effectively catching fish!

Participants may choose any number of sessions; you can take one, two or all four:

- Friday, June 8; 8 a.m. - 12:30 p.m.; Big Rock Forest Preserve; 46W072 Jericho Rd., Big Rock
