Kayak along the Fox River with the Forest Preserve District

GENEVA, IL — You're invited to tour our local waterways by kayak with the Forest Preserve District of Kane County.

Our 2021 kayaking series begins with a lake-based, basic paddling skills class, followed by shorter and less-strenuous river sessions for beginners. As the summer progresses, choose increasingly longer and more technical paddles for intermediate skill levels. Each session, participants will receive dry-land instruction on basic kayaking techniques from an experienced instructor. Afterward, we'll take to the water for a naturalist-led exploration of the fascinating local ecology. Participants meet and park at the take-out location and are shuttled to the put-in location.

Participants may choose any number of sessions; you can take one, two or all six. For all sessions, participants must be 16 years or older and able to:

1. Hold breath under water while wearing a properly fitted life jacket;
2. Independently turn from a face-down to a face-up position, keeping head above water;
3. Effectively communicate with the instructor and other participants; and,
4. Manage all mobility and personal care independently, or with the assistance of a companion.

Dates and locations for sessions are below:

Session 1: (Skills Training; <1 mile paddle): Sunday, May 23; 10 a.m. - 12 p.m.,
at Grunwald Farms Forest Preserve, 02S035 North Lorang Rd., Elburn.

Session 2: (Beginner; 3-4 mile paddle): Saturday, June 19; 10 a.m. - 1 p.m.,
at Voyageur Landing Forest Preserve, 50 Airport Rd., Elgin.
