Learn about Amphibians during March 9 nature program

GENEVA, IL — Learn about our local salamanders and frogs, and other amphibians, during Forest Preserve District “Learn from the Experts” nature program on Saturday, March 9, from 8-10 a.m. at Hickory Knolls Discovery Center.

The St. Charles Park District’s Restoration Ecologist Ryan Solomon and Nature Program Manager Pam Otto, will explain amphibian reproductive behaviors and their importance for land management. Following the indoor presentation, we’ll head into the field to find amphibians in the wetlands.

Learn From the Experts programs are for ages 18 and above. Advance registration is required. Registration fee is \$10 per person. Call 630-444-3190 or e-mail programs@kaneforest.com to register.

Hickory Knolls Discovery Center is located at 3795 Campton Hills Dr., St. Charles.

Learn from the Experts programs are taught by experts in their respective fields and offer in-depth learning opportunities about our local ecology. The programs are offered through a partnership by the Forest Preserve District of Kane County, St. Charles Park District and Geneva Park District.
