Harvest native seed during National Public Lands Day, Sept. 22

GENEVA, IL — The Forest Preserve District of Kane County is calling for all ages to help collect seed at our National Public Lands Day volunteer event.

Volunteers are welcome to participate in America's largest single-day volunteer event dedicated to improving public lands. Natural Resource Management staff will show volunteers how to harvest seeds from specific plants. Seed will be collected and used to improve or start prairies at other District forest preserves.

This event will take place at Dick Young Forest Preserve on Saturday, Sept. 22, from 10 a.m. - noon. Dick Young Forest Preserve is located at 39W115 Main St., Batavia. Please meet at the Main Street entrance.

This event is free. Groups of less than 10 do not need to register. Groups of 10 or more, contact our volunteer coordinator at 630-762-2741 or email volunteer@kaneforest.com to RSVP.
