Consult with your veterinarian regarding other recommended vaccinations or preventives.

- Keep dogs leashed when they are not within the boundaries of the Off-leash Dog Areas, especially when walking to and from your vehicles. If the area is fenced, please close the fence gate behind you after entering the off-leash area before releasing your dog from its leash. Always leash your dog before exiting and ensure the gate is closed behind you.

All children are expected to behave properly while in the Off-leash Dog Areas. Do not run or chase after dogs, and never attempt to pet other dogs unless permission is granted by that dog's owner.
- Do not use any live or dead animals, ammunition of any kind or devices that use an explosive charge to propel a retrievable object while training dogs.
- Dogs may not be tied to trees, plants, structures or equipment.
- Failure to abide by the above rules will result in the revocation of your privileges to use the Off-leash Dog Areas and may result in fines.
- Off-leash Dog Area participation is at your own risk.

Closely supervise your dog at all times. Aggressive and/or uncontrolled dogs are not allowed to enter the Off-leash Dog Areas. If aggressive behavior is observed, you must leash your dog and remove it from the Off-leash Dog Area immediately. If complaints are registered for aggressive behavior of your dog or non-adherence to rules, your privilege to use the area may be revoked and/or fines charged.
