Power-line maintenance planned through Feb. 7 along Geneva Spur

GENEVA, IL — Users of the Illinois Prairie Path's Geneva Spur may experience brief trail delays, Jan. 29 through Feb. 7, due to a planned tree-trimming project.

A ComEd contractor will be conducting power-line maintenance and tree trimming along the Geneva Spur from Kirk Road east to Pillsbury Drive. While there may be brief delays, the Geneva Spur will remain open during this project.

Signs posted at both ends of the project will alert trail users to the possibility for vehicles, workers and equipment along the trail. As with any construction project, trail users are asked to use caution in the area and be mindful of all signs.
