## **Search for Spiders at Oct. 23 nature program**

GENEVA, IL — What a great time of the year to look for little, eight-legged creatures!

They're creepy, they're crawly, and they're cool! Spiders are also very important to the lives of us humans. How so, you might ask? Come to the "Search for Spiders," program on Saturday, Oct. 23, from 5-6 p.m. at Burnidge Forest Preserve.

On this all-ages walk, we'll search nooks and crannies, high and low, for different species of spiders. If we catch a few specimens, we'll look at them close up, and then let them go. Bring a flashlight and we'll supply the "bug jars."

Advance registration is required. Call 630-444-3190 or email [programs@kaneforest.com](mailto:programs@kaneforest.com) to register. The registration fee is \$2/person.

Burnidge Forest Preserve is located at 38W235 Big Timber Rd., Elgin.
