Trail users asked to use caution near Fox River Trail tree-trimming project

GENEVA, IL — Tree work along the Fox River Trail in Dundee Township may lead to brief trail interruptions, Monday, Sept. 30 - Wednesday, Oct. 2.

Lewis Tree Service, a contractor for ComEd, will be trimming trees along the Fox River Trail at East Edwards Avenue in Dundee. The project is part of ComEd's effort to keep trees trimmed back to protect customer service. The work is expected to impact two trees at the location.

While the Fox River Trail will remain open during the project, the Forest Preserve District of Kane County asks the public to use caution when traveling past trucks and equipment at the East Edwards Avenue location. Signs will be posted at the site to alert trail users of the tree work.

For more information on the Forest Preserve District of Kane County, visit www.kaneforest.com or find the District on social media by searching @forestpreserve.
