**Get Crafty at Forest Preserve District’s Yarn Art Program**

GENEVA, IL — Calling all yarn enthusiasts! The Forest Preserve District is pleased to announce monthly yarn art programs.

“Yarn Art Social Circle” provides an opportunity for like-minded crafters to gather together, share ideas, and create beautiful projects.

Participants are encouraged to bring their own knit, crochet, or other yarn art project to work on during the program. Whether you’re a seasoned expert or a beginner, you’ll have a chance to learn new tips and patterns from others while sharing your own skills and knowledge. This series meets at the cozy Creek Bend Nature Center, providing a relaxing and inspiring environment for all skill levels. If the weather is nice, we will head outside.

“We’re excited to be hosting this unique program that combines nature, creativity, and community,” says Erica Lemon, naturalist and program leader. “Yarn art is not only a fun and rewarding hobby, but it can also be a way to connect with others and learn from their experiences. We hope that participants will leave feeling inspired to continue exploring their craft.”

This program is open to yarn crafters of all skill levels and ages, with an adult accompanying children under 18. Participants can register for one class, or the entire year. All classes are free.

The upcoming summer dates are Saturday, June 3, Saturday, July 1, and Saturday, Aug. 26, from 4-5:30 p.m. at Creek Bend Nature Center located at 37W700 Dean St., St. Charles. To register, visit [www.kaneforest.com](http://www.kaneforest.com) or call 630-444-3190.
